Camouflage shoulder and Wasit FISHING SLING BAG

For Shoulder

Ex Size Phone Bag

For Waist

Safety Reflective Tape

WaterProof Zipper

• The Prohunter Waterproof Sling Bag has a low profile design with a 10 litre capacity, designed to hold a light fishing gear and keep your tackle dry.

• Practical Design is Small(38x23x8cm), Strong, Sturdy, Compact but with separated spaces to organize little items. Strap and the back are thickly padded for comfortable carry. Adjustable strap adds stability and security to fit different purpose. Enable to hold bottle, zipper pocket large enough to hold your phone, purse, keys, MP3, iPad mini and so on when you are Fishing, cycling, running hiking climbing or any other outdoor sports.

• This sling pack is made from a 100% waterproof welded construction, with a highly durable nylon core and a single side TPU coating. Additionally there is also a durable water repellent coating to enhance the weather proof performance and help keep all your gear inside dry.

• The main compartment is sealed with a waterproof zipper and provides quick access. The 10 litre main storage capacity is the ideal size for items like fly boxes, small cameras or extra clothing. There are also side utility keepers for easily attaching extra tools, net etc.

• The bag includes a fully adjustable, low padded shoulder strap and keeps the pack completely out of your way when casting.

• The Prohunter Waterproof Sling Bag is available in Camouflage colors. Also Extra handphone bag can keep your phone and keys etc...

- Durable and burly nylon core with a single side TPU coating
- 100% waterproof zipper for quick access compartment
- Fully adjustable, low-profile padded shoulder strap.
- Easy change for shoulder and waist bag design.

Safety High Reflective Tape attached.

- Size:38*23*8cm
- Fabrics: 800 denier 100% nylon with a single-side TPU coating
